'We do best what we do together'

Round the Traps from the Secretary.

Hi Everyone. You might notice that I have given President Blue a break from writing up his Presidents Report for this Edition. He has been reflecting on his big win at the 2013 National Show- which has made him the most successful exhibitor in the 29 years of the Clubs History, with FOUR Champion Bird in Show

awards- and whilst he has been pairing up for next year's show campaign he has been waxing lyrically from the comforts of his shed at the bottom of the garden. So we have an original poem from our eloquent Wordsworth of a President which you will read later in the Edition.

This September 2013 Edition is dedicated to the 2013 Feature Shows. Over the past few years the Club has appreciated that not every member can get to the National so this year we decided to sponsor at least one show in every state. From the Committee perspective we think it was well worth the efforts with great turnouts of Birds, Members and Exhibitors making 2013 one of the strongest years for Orpingtons in our short history! Feedback from Host Clubs and Exhibitors agreed that this is should be a regular support so in 2014 the Club will again offer to sponsor the same shows (plus a few more) to see if we can tempt even more Orpingtons to be on display and also the many non-members to join up and enjoy the camaraderie of this great Club and it's even more awesome members. Thanks to Camden PC (NSW), Dubbo PC (NSW), Footscray and District (VIC) Rosewood PC (QLD) The Poultry Club of Tasmania, The Royal Adelaide Show (SA) and the WAPA Soft feather Show (WA) for hosting these events in 2014.

And now for something really BIG!

When I was going through the club archives trying to work out who had won the most Champion Bird of Show wins- a list that I have included in this edition- I came to a realization that 2014 is actually the 30th year since the Clubs formation.. Having mentioned this fact to the rest of the Clubs Brain trust work has started on making the 2014 one of the biggest and best yet. A BIG Thank you to Jayne Stannard for getting on with the job and securing venue, judges and dates for 2014.

So on **Saturday 21st and Sunday 22nd June 2014** the **National Orpington "30th Anniversary Super Show'** will be hosted by our great friends at Queanbeyan Poultry Club (NSW) just on the edge of our nation's Capital. With an entry expected to match the last time we went there in 2011 (a world Record entry for a single Orpington show of 370 Birds by the way), likelihood of the most Splash Orpingtons ever shown in Australia being on display we have engaged two judges of great re-known. To make this the Super Show of all Super shows we will certainly need members support in terms of gifts donations products and importantly entries. More details will follow in our next Edition but for now start thinking about getting to Queanbeyan in June 2014!!!!

Splash becomes an Approved Colour.

I am pleased to advise that following an application made in accordance with the Club By Law That the Splash Colour is now an Approved Colour in both Large and Bantam eg able to compete in the same section as the 'Cook 5' Colours of Black, Blue, White, Buff and Cuckoo, effective from the 2014 National Orpington Show. The Management Committee were unanimous in their approval of the application agreeing that the application met all criteria outlined in the By law.

The Club is only as strong as its members and everyone now has the task to cajole non- members to join up and existing members to keep their passion and rejoin for 2013-14. Subs are due annually on the 1st July. A 2013-14 Membership Renewal Form can be downloaded from the Club website www.orpingtonaustralia.com.

Photos of the recent winners at both National and our various State support and Feature shows are now up on our website thanks to Jenny Stewart. That's all for now -keep the feedback going on how you would like to see the Club support you and start working out how to be part of the 2014 Super Show!.

Cheers for now.

How I remember

What am I bid for this fine old cock,
He is old but he's proud and clean.
You can tell he comes from pure bred stock,
You can see by his balance and sheen.

His coat is shaggy and pretty rough,
But his heart and his pedigree; sound.
Give me a bid for this grand old boy,
He'll throw you the best fowls around.

Give me a bid folks, give me a bid,
I will need a bid for say -- twenty,
Don't hold back, he's worth every cent,
He'll give you chickens a plenty.

Did I hear someone say, I've got five?
Young man over there, is that a bid,
The reserves over five, I can't take that,
Not even from a kindly young kid.

The speaker looked for the owners nod,
He's on, son I'll give you the go,
Five down here, said the man with a grin,
We will go at a dollar a throw.

Six give me seven and the sire's yours
Son, he will fill your fowl pen with joy,
Yes, I've got nine, nine from the lad,
The bidding is now with you my boy.

The boy turned as the speaker took ten,
He'd finished his run undeterred,
Going once at ten, and for a second
He's yours sir, take him home for a third.

Come on mate! Be a sport for the boy,
Give him the old cock: Warm his heart!
When he gets old he'll think of the day,
When some bloke gave this young lad a start.
